

Aryan Tankariya

Full-Stack & Cloud Developer | AWS AI & Generative AI Specialist | MCA Student

+91 9825863442 | tankariyaaryan@gmail.com | linkedin.com/in/aryantankariya | Bengaluru, KA

SUMMARY

BCA graduate currently pursuing a **Master of Computer Applications (MCA)** at **PES University**, with a strong foundation in software engineering, system design, and full-stack development. **AWS AI Practitioner** certified with hands-on experience in cloud fundamentals, **Amazon Bedrock**, **Amazon Nova models**, **Prompt engineering**, and **Generative AI**. Specialized in enterprise data visualization using **Amazon QuickSight** & the **SPICE** calculation engine. Blending technical engineering with a strong eye for **UI/UX Design** from a graphic design background, seeking entry-level roles in **Software Engineering**, **Cloud Development**, **Data Engineering**, or **AI**.

TECHNICAL SKILLS

- **Cloud & AWS Ecosystem** - AWS Cloud Practitioner Essentials, Amazon Bedrock, Amazon Nova Models, AWS SimuLearn, Amazon QuickSight (SPICE Engine), Vercel, Supabase, Cloud Workflows.
 - **AI & Generative AI** - Prompt Engineering, Machine Learning & AI Fundamentals, Generative AI Project Planning, Agentic AI.
 - **Backend Development** - Node.js, Express.js, REST APIs, System Design, Workflow Optimization.
 - **Frontend Development** - React.js, Next.js, HTML5, CSS3, Tailwind CSS, Component Architecture, UI/UX Wireframing.
 - **Databases & Tools** - MySQL, PostgreSQL, MongoDB Atlas, Git, GitHub, VS Code, Figma.
-

TECHNICAL & AWS CERTIFICATIONS

- **AWS AI Practitioner** - *Udacity (Issued June 2026)*
 - **Future AWS Agentic AI Business Professional** - *Udacity (AWS AI & ML Scholars Program)*
 - **Amazon Nova Models using Amazon Bedrock** - *AWS Training & Certification (Issued Aug 2026)*
 - **Amazon Bedrock** - *AWS Training & Certification (Issued Aug 2026)*
 - **Foundations of Prompt Engineering** - *AWS Training & Certification (Issued Aug 2026)*
 - **Fundamentals of Machine Learning and Artificial Intelligence** - *AWS Training & Certification (Issued Aug 2026)*
 - **Planning a Generative AI Project** - *AWS Training & Certification (Issued Aug 2026)*
 - **Generative AI - Art of the Possible** - *AWS Training & Certification (Issued Aug 2026)*
 - **AWS Cloud Practitioner Essentials** - *AWS Training & Certification (Issued May 2025)*
 - **AWS SimuLearn- Cloud Practitioner** - *AWS Training & Certification (Issued May 2025)*
 - **AWS Data Visualization & Analytics Training** - *Hands-on experience developing interactive dashboards using Amazon QuickSight and SPICE calculation engine.*
 - **Project Completion Badge** - *Revenue Intelligence Dashboard - AWS AI & ML Scholars Program*
-

NON-TECHNICAL & CREATIVE CERTIFICATIONS

- **Adobe Illustrator** - *Smt. C. Z. M. Gosrani BCA College*
- **Adobe Photoshop** - *Smt. C. Z. M. Gosrani BCA College*
- **CorelDraw** - *Smt. C. Z. M. Gosrani BCA College*
- **Canva** - *Smt. C. Z. M. Gosrani BCA College*
- **Corel VideoStudio** - *Smt. C. Z. M. Gosrani BCA College*
- **Best Graphic Designer** - *Smt. C. Z. M. Gosrani BCA College*
- **Best Class Representative** - *Smt. C. Z. M. Gosrani BCA College*

PROJECTS

EventSphere – Smart Event Management Platform

- **Full-Stack Development** - Built a comprehensive event management system using React.js, Node.js (Express), and PostgreSQL.
- **Security & Access Control** - Implemented role-based access control (RBAC) with User, Admin, and Super Admin roles alongside secure JWT authentication.
- **Key Features** - Developed automated RSVP flows, dynamic QR-based attendance validation, event creation, image/file uploads, dashboards, activity logs, and reporting features.
- **UI/UX & Architecture** - Designed a modern UI with calendar view and dark/light mode support, focusing on scalability, usability, and clean backend architecture.

Alpha Automation Support System | *Internship Project*

- **System Architecture** - Led system design for Alpha Automation's centralized support platform, architecting the end-to-end framework for issue tracking, query routing, and status management.
- **API & Workflow Design** - Defined data models, system workflows, and key API interfaces required for role-based access control, automated notification triggers, and real-time ticket updates.
- **Operational Efficiency** - Established a scalable blueprint that streamlined developer implementation, minimized operational bottlenecks, and laid structural foundations for faster incident resolution.

EXPERIENCE

Alpha Automation Pvt Ltd | *Frontend Developer Intern*

(12/2025 – 02/2026 | Jamnagar)

- **UI Architecture** - Architected and designed the complete frontend architecture and user experience for a centralized internal support system.
- **System Blueprints** - Designed intuitive UI wireframes, application navigation flows, and scalable component structures for role-based access control, real-time ticket tracking, and automated notification dashboards.
- **Developer Execution** - Delivered detailed visual design specifications and front-end system blueprints that ensured seamless user interaction and accelerated developer execution.

SSIP Hackathon | *Full-Stack Developer*

(10/2023 – 11/2023 | Rajkot)

- **Matching Algorithm** - Designed and implemented an advanced matching algorithm to connect IT resources with hiring companies.
- **Workflow Optimization** - Matched candidates to job requirements based on skills and relevance, improving efficiency and accuracy in recruitment workflows.
- **Team Collaboration** - Collaborated with team members under strict time constraints to deliver a fully functional solution.

EDUCATION

Master of Computer Applications (MCA), Computer Science

PES University, Bengaluru

(2026 – 2028)

Bachelor of Computer Applications (BCA), Computer Science

Saurashtra University, Rajkot

(2023 – 2026)

KEY ACHIEVEMENTS

- **Full-Stack & Cloud Delivery** - Successfully designed and deployed full-stack event management and support automation platforms with real-time tracking, modular UI components, and optimized database pipelines.
- **Leadership & Academic Recognition** - Honored as Best Class Representative (CR) while leading student representation for 2 consecutive years, resulting in the class winning the Best Class Award; served as Student Head of the Event Management Committee in Year 3.
- **Extracurricular & Design Excellence** - Recognized as Best Graphic Designer for campus creative initiatives and secured 1st Place in Men's Singles Badminton.
